

Dear Parents,

Greetings from IEM PUBLIC SCHOOL.

IEM PUBLIC SCHOOL is committed to the safety and good health of our students. In view of this, we have initiated the Measles and Rubella Vaccine Drive in the school on Saturday 4th February 2023.

As per the guidelines from the Government we recommend that your child gets the MRV (Measles Rubella Vaccination).The Vaccination shall be administered in the school .

Please read the instructions given below carefully.

1. Every guardian must fill in the Consent Form.(Link to the consent form has been shared below)
2. Guardians must necessarily accompany their ward to the Vaccination Centre in the school on the Vaccine Day.
3. Guardians must carry their ward's birth certificate or Aadhar Card to the Vaccination Centre.
4. Every student must necessarily bring their ID Card and School diary and must be in their school uniform.
5. Please be informed that students cannot take the Vaccination if they have high fever, or other serious diseases like convulsion, hospitalised, history of severe allergy to Rubella vaccine in the past.
6. Each class and their respective students shall be given the time-slot for the Vaccination.

Please read the FAQ shared below for further information.

The link to the Consent Form is given below

<https://forms.gle/nFiU7NsjdqkvJ5X16>

Please fill in the Consent Form and submit by 27th January 2023.

We thank you for your continued co-operation and support.

Thank you

Regards

IEM PUBLIC SCHOOL
